

Should I accept to review this manuscript?

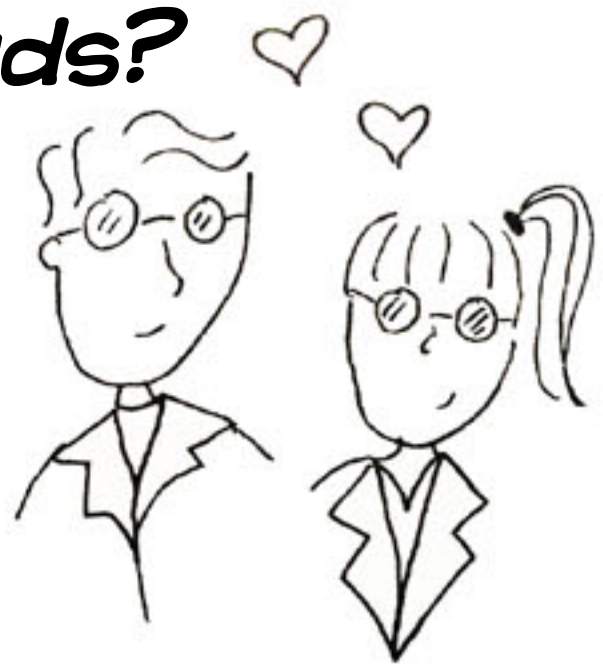

Find out now!

Are you...

Related to any author? Married? Friends? 

whoops, yes

OF COURSE NOT!

Co-hosting a Frontiers Research Topic with any author? (within the past 2 years)

Yeah!

NO

Collaborating or co-authoring a paper with any author? (within 2 years)

Wait a minute-yes!

NOPE.

Any author's advisor? (within 5 years)

Oh, this is Bill's thesis!

ERR... NO.

Any author's student? (within 5 years)

Yup.

NO.

Working at the same place as any of the authors?

Hey she's down the hall from here!

NUH-UH.

Part of a committee associated with the author's institution?

Yes.

NO

In a business partnership with the authors?

Yep.

NAH.

In a professional relationship with the Editor that might interfere with your objectivity?

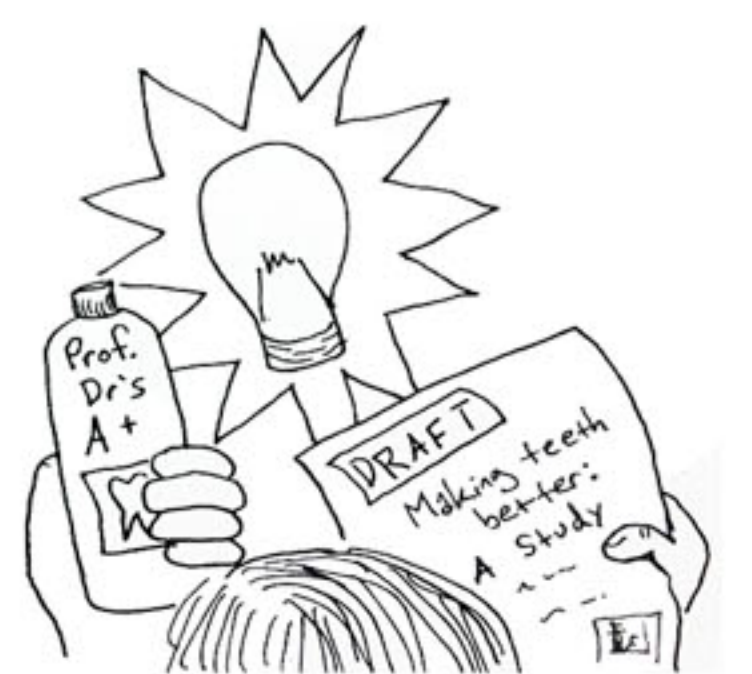

I guess so.

NO

Financially interested in the manuscript's content?

Maybe a little...

NO!

Decline it!

OK to accept!

So LET'S TALK ABOUT A DIFFERENT REVIEWER. THEN
